1. Audio Script

Hello! My name is Clark and I am from Madrid, the capital of Spain. I am an outgoing person. I usually wake up early and take the bus to school. After school, I relax by watching a documentary about wildlife. My family and I live in a smart house. It makes our daily life very easy. For example, we have a smart kitchen that prepares dinner for us, and smart mirrors that show the weather forecast. Of course, these houses are expensive to install, but they save a lot of time and energy. Moreover, they provide an advanced security system for the family. I really love my city, Madrid. It is a wonderful place to live. If you visit here, you must see the Royal Palace. It is a very famous tourist attraction!
