2. Read the text and answer the questions. (5x5= 25 p.)

Pamukkale is one of the most famous tourist attractions in Türkiye. It is located in Denizli and is well known for its white travertine terraces. The name "Pamukkale" means "Cotton Castle" in Turkish because the white terraces look like cotton. The warm mineral water flows down the hills and creates natural pools. Many tourists visit Pamukkale every year to see this beautiful natural place and to swim in the thermal waters. It is also close to the ancient city of Hierapolis, which makes it even more interesting for visitors.

- A. Where is Pamukkale located?

- B. Why is it called "Pamukkale"?

- C. What creates the natural pools?

- D. What can tourists do there?

- E. Why do many people visit Pamukkale every year?

3. Read the text and complete the missing information in the table. (4x5=20 p.)

Headaches are a very common health problem among students. They can be caused by stress, lack of sleep, too much screen time and not drinking enough water. A simple way to reduce headaches is to rest in a quiet room and drink plenty of water. Some students also feel better after sleeping for a short time. These simple steps can help reduce the pain quickly.
