

11<sup>TH</sup> GRADE 1<sup>ST</sup> TERM 2<sup>ND</sup> EXAM

Name-Surname:.....

Class:.....

Number:.....

READING – WRITING

1. Order the lines to make a meaningful dialogue. (8x3= 24 p.)

- \_\_\_ Clara: Thank you for informing me but I'm flying to Madrid next week.
- \_\_\_ Gina: Hello, Mr Packer's secretary. Gina is speaking.
- \_\_\_ Clara: I'm sorry to hear that. Get well soon and wishing him a speedy recovery. Would it be possible to arrange another time in this week?
- \_\_\_ Gina: We're so sorry for this situation. Thank you for your understanding.
- \_\_\_ Clara: Hello, is there a problem with my appointment?
- \_\_\_ Gina: Regrettably, it is not possible. Because he won't be in the office in this week but he'll be available next week.
- \_\_\_ Clara: OK, see you later and I hope he feels better soon.
- \_\_\_ Gina: Unfortunately, due to some health problems. Mr Packer won't be able to keep your appointment for today afternoon. Because he will see a doctor.

2. Write down three sentences about your interests, preferences, hobbies and abilities. (3x4= 12 p.)

---

---

---

3. Read the text and answer the questions. (4x5= 20 p.)

Changes are always part of human life. Lots of things have changed. People used to have face to face communication. In family gatherings, business meetings or social events such as celebrations, people used to prefer being together and talking to each other directly. They used to visit the beloved ones. But now people don't care about such things because they usually ease the communication via social media platforms. They share their thoughts, good wishes or messages on social media platforms.

- A. Did people use to prefer face to face communication or social media platforms in the past?  
\_\_\_\_\_.
- B. In what situations did they use to prefer being together?  
\_\_\_\_\_.
- C. Why don't people care face to face to communication?  
\_\_\_\_\_.
- D. Where do people share their thoughts and good wishes?  
\_\_\_\_\_.

4. Read the statement and write down at least two sentences about the technology in the past or in the present to continue the text. (2x4= 8 p.)

*Technology has changed a lot in every field. \_ \_ \_*

5. Write down a paragraph putting the statements about Barış Manço into the correct order. (4x4= 16 p.)

- ⇒ He graduated from Şişli Terakki High School.
- ⇒ He came back to Turkey in 1970 and he got married to Lale Manço in 1978.
- ⇒ Barış Manço, who was born on January 2, 1943 in İstanbul, was a rock musician, singer, composer, actor and television producer.
- ⇒ He moved to Belgium to study at Royal Academy of Fine Arts.

6. Read the text and answer the questions. (4x5= 20 p.)

Sabiha Gökçen was born on March 21, 1913 in Bursa. During Atatürk's visit to Bursa in 1925, she expressed her wish to study at a boarding school. After hearing her story and about her poor living conditions, she was adopted by Mustafa Kemal Atatürk, at the age of 12.

Sabiha Gökçen was a Turkish aviator. Her interest in aviation began at a young age. In 1936, she became the first Turkish woman to earn a pilot's license. During World War II, she served as a fighter pilot in the Turkish Air Force, making her the world's first female combat pilot. She received numerous awards and honors for her contributions to aviation and was recognized as a national hero in Turkey.

Sabiha Gökçen passed away on March 22, 2001. The Sabiha Gökçen International Airport in Istanbul is named in her honor, recognizing her significant contributions to Turkish aviation.

A. When was Sabiha Gökçen born?

B. Why did Mustafa Kemal Atatürk decide to adopt Sabiha Gökçen?

C. Why is Sabiha Gökçen important?

D. How old did Sabiha Gökçen pass away?
