1. Read the text and answer the questions. (4x5=20p)

Music has a special way of affecting our feelings. The right songs can really enhance a moment. My music choices change depending on my mood. When I want to relax, I listen to soft acoustic or jazz music. If I need to be energetic, I turn up the volume on pop or rock. Thanks to streaming services, I can easily find music from the 2000s to today. This makes discovering new favorites so much fun and keeps my playlists fresh!
