1. Read the news report and answer the questions. (3x10= 30 p.)

Last winter, a young hiker named Mark got lost in the snowy mountains of Erciyes. It was a cold Tuesday morning when he went for a walk. Suddenly, a heavy snowstorm started and he lost his way. He survived for two days by staying inside a small cave. Fortunately, a mountain rescue team found him on Thursday afternoon. One of the rescuers said, "He was very brave and calm. That is why he stayed alive." Mark was taken to the hospital immediately. After a short rest, he was able to go back to his family. He said it was an experience he would never forget.

- A. What caused Mark to lose his way in the mountains?
_____.
- B. How did Mark manage to survive until the rescue team arrived?
_____.
- C. When exactly was Mark found by the rescue team?
_____.

2. Read the text about a charity project and complete the table below. (4x5= 20 p.)

"Helping Hands" is a voluntary student group founded in 2024 at North High School. Their main goal is to support elderly people living alone. Every weekend, students visit these people to help with their daily needs. They usually do the grocery shopping, clean the houses, or simply talk to them. Last month, they organized a "Tea & Talk" event at the local community center. The project accepts donations like blankets, books, and food parcels. If you want to join, you can fill out a form at the school office.
