My favourite tourist destination is Antalya. It is on the coast of the Mediterranean Sea. The weather is not cold. Especially in summer it is usually too hot and sunny. You can find accommodation for every budget and you can see bed and breakfasts, all-inclusive hotels, five star hotels, guesthouses, bungalows to stay. There are lots of attractions such as ancient sites, castles, caves, museums, waterfalls, beaches, shopping malls, sport activities etc. You are never bored because the city offers various alternatives for everybody. Aspendos Ancient Theatre, Phalasis, Myra, Perge, Side and Olympos Ancient Sites, Alanya Castle, Damlataş Cave, Köprülü Canyon, Düden, Kurşunlu and Manavgat Waterfalls, Konyaaltı and Kaputaş Beaches, Kekova (Kaleköy) Island, Lycian Way, Yanartaş Mountain are some of the must-see places to visit. You can also try some exciting and entertaining activities such as rafting, scuba diving, paragliding, canoeing, caving, trekking etc. That sounds great. You should definitely go there.
