I'm Clara from Rome, the most beautiful city in Italy. I live in a big flat in the city centre. It's on the second floor and has got six rooms: a living room, two bedrooms, a kitchen, a bathroom and a study. One of these bedrooms is mine and it is quite large. There is a double-sized bed, a wardrobe, a chest of drawers and an armchair in it. The other bedroom is for guests and there is a single bed and a wardrobe in it. In the kitchen, there is a fridge, a dishwasher and a cooker. There is also a dining table in the kitchen because there is not dining room in my house. The living room is next to the kitchen. There is a small bathroom opposite the living room. My favourite place at home is the study because it's the best place to read a book. There is a desk and a small sofa in it.
