Audio Script

Leo is my close friend, and today I am going to tell you about his daily routine. Every day, he wakes up at six o'clock and the first thing he does is make his bed neatly. Then he charges his mobile phone and gets dressed for school. After that, he goes to the kitchen and has breakfast. When he is ready, he leaves the house and takes the bus to school. At school, he attends the classes until the afternoon. After school, he does not always go straight home; he has guitar lessons every Tuesday evening because he loves music. When he arrives home, he relaxes and reads a book for a while. At the end of the day, he goes to bed and soon after, I sleeps peacefully.
