*Hello, I'm Lucas and I'm a high school student. I live with my family. I always get up at 7.00 a.m. on weekdays. I always have a big breakfast with my family in the mornings. My mother prepare breakfast and I help her. I usually set the table. After breakfast, I get dressed and leave home at about 8.00 a.m. I sometimes walk to school because it isn't far from home but I often prefer going to school by bike. School starts at 8.30 a.m. and finishes at 3.00 p.m. I'm a member of the basketball club and we meet once a week after school. I arrive home at about 5.00 p.m. and I have some responsibilities at home. I never load the dishwasher but I always take out the trash after dinner. After doing my homework, I usually spend one hour on the Net and I rarely watch TV. I go to bed at about 10.30 p.m. and I never sleep late.*
