1. Read the text below and answer the questions. (4x5= 20p.)

Hi! I am Fred. I live in a detached house with my family. My favourite room is my bedroom. It is small but very cozy. There is a bed, a bedside table, a large wardrobe and a study desk. The desk is in front of the window. I usually do my homework and listen to music in my room. There is also a computer on my desk and sometimes I play games. However, there isn't a television because I like a quiet atmosphere.

A. What kind of house does Fred live in?

_____.

B. Write two pieces of furniture in Fred's bedroom.

_____.

C. What activities does Fred do in his room? Write two activities.

_____.

3. Read the text below and answer the questions. (4x5= 20 p.)

Caretta Carettas are endangered sea turtles. They live in the oceans. In summer, mother turtles come to the beaches to lay their eggs. When the baby turtles come out of their eggs, they walk directly to the sea. These turtles are good hunters. They usually eat jellyfish and small sea animals. However, they are in danger today. People throw plastic bags into the sea. Turtles eat these plastic bags because they look like jellyfish and they get sick. Also, people build big hotels and destroy their natural beaches. We must protect them and their habitats. First, we should not throw plastic into the oceans. Second, we must keep their beaches clean, dark and quiet to save these animals.

A. Where do mother turtles come to lay their eggs?

_____.

B. What do Caretta Carettas usually eat?

_____.

C. Why do turtles eat plastic bags?

_____.

D. Write one thing we should do to protect these animals.

_____.
